

### Indications

For the temporary relief of inflammation and the symptoms associated with fungal, viral and bacterial infections.

### Directions

**Adults and Children (12 years and older):** Take ten drops two to three times daily, or as recommended by your healthcare practitioner. **Children (1-11 years):** Take five drops two to three times daily, or as recommended by your healthcare practitioner. To be taken 20 minutes away from food. Place drops directly under the tongue or into 1/4 oz of water.

### Warnings

If you are pregnant or breastfeeding, ask a health professional before use. Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away. If symptoms persist or worsen, consult your healthcare practitioner. **Guaranteed** to contain no added starch, yeast, soy, sodium, sugar, artificial coloring or flavoring, antimicrobial preservatives or dairy products. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store in a cool, dry place.
