

 Human MicroFlora (HMF) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.

Recommended Dose: Take one capsule two times daily with meals or as recommended by your healthcare practitioner. **Risk Information:** Do not use if you have an immune compromised condition. Consult your healthcare practitioner prior to use if you are pregnant, breastfeeding, taking any medication, or have any health condition. If symptoms of digestive upset occur, discontinue use and consult your healthcare practitioner. **Guaranteed** to contain no added wheat, starch, gluten, soy, artificial coloring or flavoring, antimicrobial preservatives, dairy or animal products. Ideal for vegans. **The capsules** are made from 100% pure vegetable sources, free of preservatives and additives. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if outer seal is missing or broken. Store under refrigeration (below 46 °F). Keep out of reach of children.
