## Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 60/90/120

| Amount Per Serving   |             | % Daily Value |
|--|-------------|---------------|
| Tzyme™ Protease Blend (54,601 HUT)<br>(acid, neutral, alkaline, exo/endo peptidases) | 122 mg      | †             |
| Tzyme™ Lipase Blend (7,467 FIP)  | 67 mg       | †             |
| Tzyme™ Polysaccharolytic Blend   | 270 mg      |               |
| Amylase  | 20,000 DU   | †             |
| Alpha-galactosidase  | 438 Gal U   | †             |
| Phytase  | 42 FTU      | †             |
| Glucoamylase   | 25 AGU      | †             |
| Macerase   | 400 CU      | †             |
| Pectinase  | 14 endo-PGU | †             |
| Beta-glucanase   | 25 BGU      | †             |
| Lactase  | 610 ALU     | †             |
| Xylanase   | 500 XU      | †             |
| Diastase   | 168 DP°     | †             |
| Invertase  | 56 SU       | †             |
| Cellulase  | 28 CU       | †             |
| Hemicellulase  | 28 HCU      | †             |

† Daily Value not established

Other Ingredients: Cellulose, Water, Calcium Citrate

### RECOMMENDED USAGE:

Take one (1) capsule with every meal or snack with at least 8 oz. of liquid. Contents may be removed from capsules and taken by spoon immediately after mixing with a small amount of tepid water. Usage may be increased according to need as directed by health care practitioner.

Available in bottles of 60, 90, and 120 capsules.

NO FILLERS/NON-ALLERGENIC

## Enzyme support for a healthy digestive system\*

Healthy food choices are a great start to promoting health; however this represents just the first step. To benefit from all the nutritious components of our food, a healthy digestive system is needed. Today, dozens of factors including genetics, stressful lifestyles, poor diet, processed foods, and the environment all influence digestion. Supplementing a healthy diet and lifestyle with digestive enzymes is the next step in health. Our most comprehensive digestive enzyme formula includes highly active enzymes with a broad range of specificities needed to digest the foods most commonly found in the human diet.\* Once the food is broken down into simple nutrients, the body can then assimilate these for energy, growth, and repair.\*

- **Proteolytic Enzymes** support the digestion of proteins for reduced risk of food sensitivities, toxins, and free radicals.\*
- **Lipolytic Enzymes** encourage more complete digestion of fats and lipids to support pancreas, liver, and gall bladder health and wellness.\*
- **Polysaccharolytic Enzymes** support the digestion of carbohydrates for reduced food intolerances and relief from occasional indigestion and gas.\*

**Health Benefits:** Transformation's Professional Protocol Digest™ is an enzyme supplement designed to help promote availability and absorption of nutrients, health and vitality of cells, and improved overall digestive and immune system health.\*
