INNATE®
RESPONSE FORMULAS
[Restoring **Deeper Connections**]

INNATE Response™ is dedicated to providing products that are free of genetically modified ingredients. We strive to ensure that the products we create are the best they can be. Simply put, we are doing it right and the Non-GMO movement is of particular importance to us.

INNATE Response has required documented verification as proof of Non-GMO on raw materials for almost 3 years. We currently offer the following products that have been in-house verified to be Non-GMO:

- Adrenal Response®
- Adrenal Response Complete Care
- Cardio Response®
- Flora 20-14™
- Flora 200-14™
- Flora 5-14™
- Flora 50-14™
- Folate
- Homocysteine Response™
- JCTH™
- Kid's Complete
- Men Over 40™ Iron Free
- Men's Greens
- One Daily w/out Iron
- Proteolytic Enzyme Clinical Strength
- Tension Defense™

- Vitamin C-400
- Women Over 40™
- Women's Multi
- Women's Over 40 OD

The Non-GMO Project has recognized our FoodState® manufacturing facility, as compliant with the necessary segregation and traceability measures required for Non-GMO Project Verification.

While we do not currently display the seal on our packaging, we may plan on updating our labels in the future to reflect the Non-GMO Project verification.
