NATURAL VETERINARY PHARMACEUTICALS®

PRODUCTS

ALLERGIES

For fast relief of allergies affecting the eyes, ears, nose, throat, and skin of your pet. For itching, scratching, excess licking, allergic dermatitis, flea bite dermatitis and other irritation associated with allergies.

APPETITE CONTROL

For fast, safe, natural control of excess appetite. Helps prevent overeating and cravings for food.

BETTER BREATH, TEETH & GUMS

For fast, safe relief of bad breath in your pet. Helps control foul, fetid or putrid mouth odors. Good for unhealthy, receding or bleeding gums.

DIGESTION RELIEVER

For fast, safe relief of gas, cramping, pain and other abdominal discomforts associated with colic.

DOGGIE DROOL

For fast, safe control of excessive salivation and drooling. Helps eliminate acrid, corrosive saliva that irritates the skin on contact. Good for unhealthy, spongy, receding and bleeding gums.

FOUL GAS & STOOL RELIEF

For fast relief of offensive, foul, fetid, putrid, sour or cadaverous smelling gas and stools. Frequent gas. Difficulty expelling stool.

MULTI-STRESS CONTROL

A natural aid for stress-related symptoms: anxiety, fear of loud noises, nervousness, separation anxieties, gastric upset, stress-licking, neurotic behaviors, restlessness, aggression, panting, barking, listlessness, hyperexcitability.

MUSCLE, JOINT & ARTHRITIS RELIEVER

For fast, safe relief of joint pain, stiffness and swelling associated with arthritis.

ODOR FREE

For the inner correction of offensive and foul body odor and excessive "animal smell."

SKIN IRRITATIONS & ITCH RELIEF

For fast relief of common skin irritations, including itching, scratching, excessive licking, rashes, hives, hot spots, dry, rough, chapped, scaly and burning skin, eczema or psoriasis. For generally unhealthy skin.

STOP BARK

For relief from excess barking, hyperexcitability and howling. For tendencies to strike out, bite and bark.

TRAUMA & WOUNDS

For relief of a wide range of traumatic injuries including: bites, cuts, strains, sprains, pains, shock, fever, infection, bruises, adhesions, scarring and post operative recovery. Can be used with conventional therapies to maximize healing and recovery.

URINARY INCONTINENCE

For control of occasional involuntary urination associated with coughing, sneezing, physical exertion, excitement, pregnancy or aging of your pet.

URINARY TRACT IRRITATIONS

For fast relief from symptoms of difficult or frequent urination associated with urinary tract irritations.
