## Gender-Specific Botanical Support

Central to our gender-specific formulas is a core group of adaptogenic botanicals:

**Ashwagandha:** support innate resistance to fatigue and stress.\*

**Astragalus:** tonifies and strengthens immune system.\*

**Eleuthero Root:** supports optimal functioning of adrenal glands and is mildly energizing.\*

**Holy Basil:** an uplifting plant that helps maintain a healthy stress and inflammation response.\*

Each gender-specific blend is crafted with additional botanicals for even greater support.\*
